Built for sport. Designed for life.

# BackBeat FIT 6100

BackBeat FIT 6100 is designed for athletes who live for the heart-pounding, sweat-drenched sensation after a grueling workout. Built with a lightweight, ultra-comfortable design, an adjustable sport-fit headband, and up to 24 hours of power on a single charge, these wireless headphones will keep up in and outside the gym.

## KEY FEATURES

### BLACK

- A** Adjustable sport-fit headband
- B** Powerful 40 mm drivers
- C** Sweatproof and IPX5-rated water resistant
- D** On-ear touch controls

### PEPPER GREY

### CAMO

## TOP FEATURES

- Unique sport-fit headband can be adjusted for an ultra-stable fit during rigorous training while the unique hexagonal pattern provides extra grip
- All-day comfort with pillow-soft memory foam ear cushions and headband, plus angled drivers that complement the natural shape of your ears while reducing friction
- Up to 24 hours of power on a single charge
- Create the perfect blend of your surroundings and music with Awareness mode and Sound Mix. So, chat with your gym partner between sets and stay connected to the outside world when you're running outdoors
- Listen your way with 3 EQ presets — bass-boost, balanced, and bright — accessible from the BackBeat app
- My Tap feature offers customization through the BackBeat app
