

Jabra GN

Jabra Elite 65e

Engineered for superior wireless calls and music with professional grade ANC

Superior call quality.

Enjoy incredible conversation quality with Jabra 3-microphone call technology that creates a noise-blocking zone – making sure your voice is made crystal-clear.

Professional-grade ANC.

The Elite 65e uses Active Noise Cancellation – powerful enough to make busy cafés sound as quiet as a library. Professional-grade noise cancellation is achieved by combining ANC from four microphones with Passive Noise Cancellation from our oval-shaped and snug-fitting Jabra EarGels™. For calls and music on the go – go professional. Cut out unwanted noise, whether that's loud traffic or distracting nearby chatter.

Power to last the day.

Take advantage of day-long power with a battery that lasts up to 8 hours when using Active Noise Cancellation, and an incredible 13 hours with ANC turned off.

Music, the way you want to hear it.

Listen to your music the way you want to hear it, by personalizing your sound with a customizable equalizer – your sound never sounded better.

Built to work, guaranteed.

Earbuds that are engineered to last, Elite 65e is IP54 rated and comes with a 2-year warranty against water and dust*.

Voice command made simple

One-touch access to Amazon Alexa, Siri®, and Google Assistant™. Take full advantage of hands-free features and functions**.

Improve comfort and boost bass

With an included selection of Jabra EarGels™, your earbuds are comfortable and secure. Extensively tested in our sound lab, the EarGels™ also help improve the quality of your listening experience – adding Passive Noise Cancellation and refining the bass in your music.
