Logitech USB Headset H570e

For people who make their living on the phone, a comfortable headset makes every call more productive. Stylish and durable, Logitech® H570e Headset delivers comfort day after day.

Acoustic echo cancellation and digital signal processing (DSP) block out unwanted noise for clear conversations.

The stylish, lightweight design and durable materials mean you can wear the H570e all day. Leatherette ear pads, and padded headband with metal reinforcement provides strength and flexibility, with a fit that's just right.

Just put it on and start talking — It's that easy. The H570e Headset connects to a

PC or Mac® via its USB cable with no additional software required. Plus, advanced business certifications and enhanced integration with Logitech Collaboration Program (LCP) members[3] ensure a seamless meeting experience with any video conferencing application.

Logitech USB Headset H570e
